

**Characteristics of Effective Learning**  
 O likes to explore and shows curiosity in all things around the class. She likes to pursue her own interests and is able to concentrate for sustained periods of time on self chosen activities. She will persist to complete challenges and shows a pride in her achievements. She is beginning to predict what might happen when she discovers something new and will enjoy testing out ideas.

Shape, Space and Measure

Child O  
 Judgement: Expected

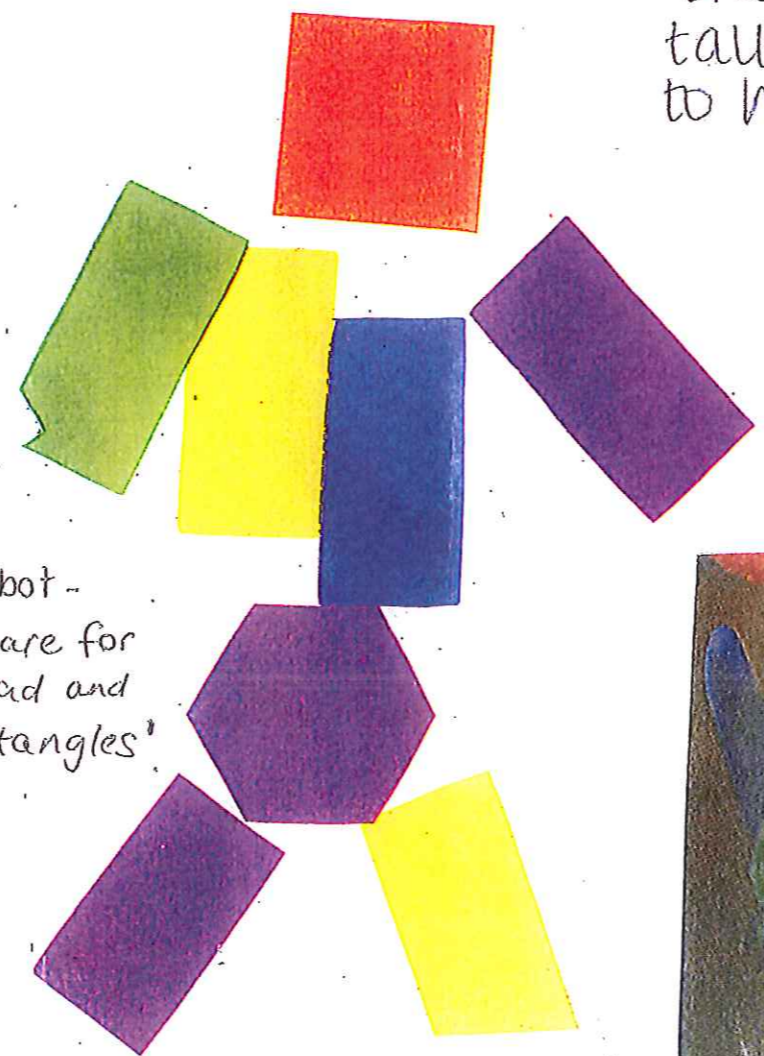

O proudly presents her two colour repeating pattern, confidently stating "it is pink, yellow, pink, yellow..."

 Must reading the 'shapes' book, Olivia confidently named all common 2d shapes and began counting corners!  
 Characteristic of Learning AL

"A robot - a square for its head and 6 rectangles"

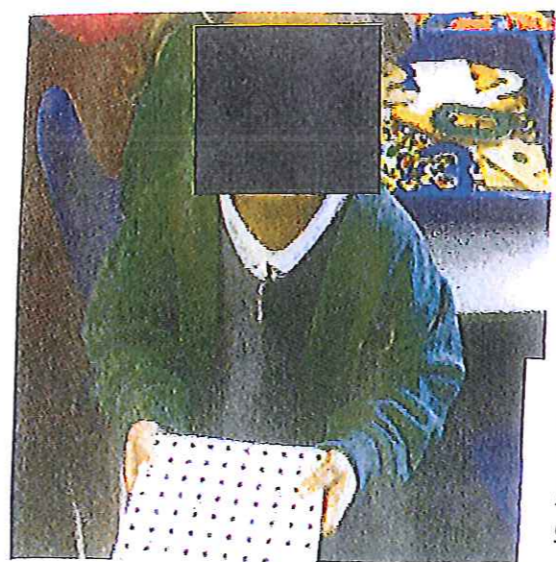

16.12.13  
 CI SSM CL  
 O maintained focus for a sustained amount of time, ordering tinsel.  
 "This is the largest and this is the shortest!"  
 Playing + exploring  
 Active Learning

11.12.13 CI SSM CL  
 O confidently ordered the bottles by height, confidently referring to them as "the shortest" and "the tallest." She was very proud to have completed "a challenge."

Area PSED C&L PD Lit Maths UfW EAD CI AI  
 works on the shape challenge. She is able to name the boxes "cuboids", the soup tin and pringles tube as a "cylinder", the bauble a "sphere" and the oxo as a "cube"...

O proudly created some repeating patterns describing them accurately.
