Look at the verse from the National Anthem in front of you. Write down the country and one thing you can learn from that National Anthem.

Swap books with the person next to you and explain what country you had and what you were able to infer from their national anthem excerpt.
Jalem Jalem is often considered the Roma national anthem. It has many different names and some variation on the lyrics depending on the country and the native dialects of the Roma community.

Listen to the Romani Anthem.

I went, I went
I went, I went on long roads
I met happy Roma
O Roma where do you come from, with tents on happy roads?
O Roma, O brothers
I once had a great family,
The Black Legions murdered them
Come with me Roma from all the world
For the Roma roads have opened
Now is the time, rise up Roma now,
We will rise high if we act
O Roma, O brothers
Open, God, Black doors
You can see where are my people.
Come back to tour the
Roads and walk with lucky Roma
O Roma, O brothers
Up, Gypsy! Now is the time
Come with me Roma
World
brown face and dark eyes
Much as I like black grapes
O Roma, O brothers
What would a modern day Roma National anthem contain?

In groups of 3/4 research these 4 areas of Roma life today.
