Who are the Roma?

Gypsy, Roma, Romani, Traveller,

On a post it note write down anything you:
- Know
- Have heard
- Believe
- Guess
- or a question

When you are done stick your post it note on the board

Meet the Romani

LO: To use photographic and other evidence to investigate who the Romani are and what their identity is.

- All students will be able to describe some examples of the Romani identity.
- Most will be able to compare their view with evidence they have gathered from sources.
- Some will be able to explain how diverse Romani culture using present and historical evidence.
Who are the Roma? (Identity)

Pick 4 words to describe who the Roma are (mild)

Write 2 sentences explaining who the Roma are and why you think that (spicy)

Where do you get your identity from?

Write some words around your stickman showing who you are.

Draw on your stickman some things to show who you are.

Identity: noun
1. the fact of being who or what a person or thing is.
2. A close similarity or affinity.
Who are the Roma? (Identity)

Layers of inference

Look at the historical sources/objects or artifacts and complete the layers of inference.

Inference:

Guess:

Evidence:

When you have completed the first two boxes turn the picture over and fill in the boxes.
Who are the Roma? (Identity)

Pyramid of Learning

One thing I found surprising

2 things I learnt today

3 Questions I would like to ask

Who would like to change/add something to their post it note now?

On your new post it note write down something you want to change or add and stick it up on the board.
