

We have provided training to over 800 staff including inset days, detailed workshops, networking events and accessing our comprehensive range of e-learning training options.

“Most useful aspect of the DPO service is the model paperwork and a knowledgeable DPO”.

“We would recommend the ESCC DPO service because of the offer of independent expertise available in a timely constrained environment”.

“The speakers were very professional and highly knowledgeable on the subject of GDPR. It is one of the best courses I have attended to date”.

95% of delegates would recommend our service to other schools.

Data Protection

Why choose ESCC?

Information Governance Team

Children's Services
East Sussex County Council

Why choose us?

Expertise

Our team of Information Governance Officers possess expert knowledge of Data Protection legislation and its implications, particularly in relation to schools.

Experience

We are currently providing our services to over 110 schools, including maintained schools, academies, MATs and Federations.

Resources

We offer key policy and document templates in addition to extensive guidance accessible through our dedicated on-line resource pages. We also keep you regularly updated with monthly newsletters.

Adaptable

We can adapt our offer to meet the needs of Federations or MATs; we also work closely with you to provide bespoke training options to meet your school's needs.
