

East Sussex Teaching School Offer

All East Sussex Teaching Schools offer CPD & Leadership Training, Support with Initial Teacher Training NQT Induction and School to School Support. Each Teaching School is led by a National Leader of Education and all have a range of Specialist Leaders of Education who support leaders and teachers, lead CPD and provide subject expertise within their own schools and beyond.

We work closely with a broad range of partnerships according to our locations these include Education Improvement Partnerships, Maths Hub, Research Schools, SCITTs, National Support Schools, the Teaching School Council and Universities.

Each Teaching School also has a unique offer born of their own local needs, phase, capacity and staff expertise, some of these are highlighted below with further detail on their websites.
