Step 1 – Research schools

It's easy to find out about schools by going to our website eastsussex.gov.uk/schools

Look at our webpage *About Schools in East Sussex* for:

- a list of schools in your area;
- school websites; and
- Ofsted reports and school performance data.

You can use the internet at your local library.
If you prefer we can send you a list of schools.

If you live in East Sussex (excluding Brighton & Hove) you must apply to East Sussex even if the schools you prefer are in another area.

Step 2 – Understand the admissions system

You should put up to **three** school preferences when you apply. It is important to put a second and third preference in case we cannot give you your first preference.

- If a school has enough places, then everyone who applied will be given a place.
- If there are not enough places for everyone the 'admissions criteria' will decide which children will be given the places.
- Criteria changes from school-to-school so you will need to understand the rules for the schools you prefer.

Summer born children – If you are thinking about deferring your child's entry to school by an entire school year, you will need to request this at the same time as applying as if they are starting at the same time as their peers.

The criteria for all schools can be found on our website eastsussex.gov.uk/schools

Step 3 – Apply by 15 January 2021
